ANDREW BAKER, PH.D.

Andrew is the Executive Director of the Mitchell Center for Leadership and Ministry at Harding University and has over 20 years of experience working with teens and families. Among the many hats he wears, a few of them include being a husband and father to three kids and several foster kids. He loves to encourage others, often through the avenue of social media, and he wants you to get out there and start spreading encouragement, too!

HANNAH OWENS, MBA

Hannah is the Director of Digital Media for the Harding University Communications and Marketing office. While she is an expert at managing social media, her deepest passion lies in encouraging others through the power of the written word. Through her greeting card business, Han Written, Hannah continues to show others how a simple idea can grow into something truly inspirational.
